

68<sup>TH</sup> ANNUAL MEETING  
MARCH 25-29, 2020

**REGISTRATION NOW OPEN!**  
**WWW.PCRSONLINE.ORG**

## SCHOLARSHIPS AVAILABLE

Pacific Coast Reproductive Society established a scholarship fund, supported by our members and commercial sponsors, to encourage the participation of medical professionals in training and those currently serving in the military in the PCRS Annual Meeting. Scholarships may include airfare, registration fees, a transportation allowance and a sleeping room based on double occupancy.\* Funding is limited, so apply early!

### **MD Scholarship:**

Open to all fellows in US REI programs, residents and medical students who have not previously attended PCRS on a scholarship.

### **Merit Scholarship:**

Open to any PCRS scholarship winners from previous years who will be the presenting author of an abstract submitted for presentation at the 2020 meeting.

### **REI Lab Scholarship:**

Open to all non-management IVF laboratory professionals who are the presenting author of an abstract submitted for presentation at the 2020 meeting.

### **Nurses and Genetic Counselors:**

Open to all nurses and genetic counselors who have not attended a PCRS meeting in the past or are the presenting author of an abstract submitted for presentation at the 2020 meeting.

\*Visit [www.pcrsonline.org](http://www.pcrsonline.org) to review eligibility requirements and scholarship details.

**APPLY AT [PCRSONLINE.ORG](http://PCRSONLINE.ORG) BY 12/31/19**
